Zoloft Manuscript Status Report

Note: Manuscripts no longer appear in alphabetical order. Instead, manuscripts that are new or further along in the publication process appear first under their respective headings.

DEPRESSION CHRONIC DEPRESSION

Trilogy Papers

Author—Title	Vendor	Status
Rush, Koran, Keller, Markowitz, Harrison, Miceli, Fawcett, Gelenberg, Hirschfeld, Klein, Kocsis, McCullough, Schatzberg, Thase—(259) The treatment of chronic depression, part 1: study design and rationale for evaluating the comparative efficacy of sertraline and imipramine as acute, crossover, continuation, and maintenance phase therapies	None	Published in <i>J Clin Psychiatry</i> 1998; 59:589-597.
Keller, Rush, Thase, Kocsis, Markowitz, Kornstein, Klein, Harrison, Fawcett—(253-254) The treatment of chronic depression, part 2: a double-blind, randomized trial of sertraline and imipramine	None	Published in <i>J Clin Psychiatry</i> 1998; 59:598-607.
Miller, Keitner, Schatzberg, Klein, Thase, Rush, Markowitz, Schlager, Kornstein, Davis, Harrison, Keller—(253-254) The treatment of chronic depression, part 3: psychosocial functioning of chronically depressed patients before and after treatment with sertraline or imipramine	None	Published in <i>J Clin Psychiatry</i> 1998; 59:608-619.

Shading indicates change in status of manuscript since the Zoloft Publications Subcommittee Meeting of December 2, 1998.

**DEPRESSION
CHRONIC DEPRESSION**

Author—Title	Vendor	Status
Hirschfeld—(283) Predictors of outcome (acute phase)	TBD	Manuscript is still being written. To be submitted to <i>Journal of Clinical Psychiatry</i> .
Gellenberg—(260-259) Plasma levels (all phases)	None	Delivery of data originally due by the end of November. TDM report due by the end of the year.

Shading indicates change in status of manuscript since the Zolof Publications Subcommittee Meeting of December 2, 1998.

**DEPRESSION
SEVERE DEPRESSION**

Author—Title	Vendor	Status
George, Theodoros, Chiu, Krapivensky, Tiller—An open study of sertraline in patients with major depression who failed to respond to moclobemide	None	Submitted to <i>Australian and New Zealand Journal of Psychiatry</i> 1/99.
Lepine (90-005)—Safety, efficacy, toleration in severe depression: sertraline vs. clomipramine	MAC	First draft completed week of 11/30 and to be distributed for Pfizer and author review week of 12/14. Targeted for <i>International Clinical Psychopharmacology</i> .

Shading indicates change in status of manuscript since the Zolof Publications Subcommittee Meeting of December 2, 1998.

DEPRESSION
ATYPICAL DEPRESSION

Author—Title	Vendor	Status
Sogaard—A double-blind study of sertraline and moclobemide in the treatment of outpatients with atypical depression	HHI	Submitted 11/98 to <i>Journal of Psychopharmacology</i> .

Shading indicates change in status of manuscript since the Zoloft Publications Subcommittee Meeting of December 2, 1998.

**DEPRESSION
SEASONAL AFFECTIVE DISORDER**

Author—Title	Vendor	Status
Moskovitch, Blashko, Wiseman, Eagles, Darcourt, Thompson, Kasper, Patten—(90-003) A placebo-controlled study of sertraline in the treatment of outpatients with seasonal affective disorder	None	Manuscript submitted to <i>American Journal of Psychiatry</i> 7/98. Confidence intervals requested by journal. Revised manuscript resubmitted 9/98.

Shading indicates change in status of manuscript since the Zolof Publications Subcommittee Meeting of December 2, 1998.

DEPRESSION DYSTHYMIA

Author—Title	Vendor	Status
Steiner—(94-005) Prevalence of dysthymia (Grant Study)	None	Accepted by <i>Journal of Affective Disorders</i> 10/98. Publication estimated for February.
Fava—(211) Dysthymia with or without major depression	None	Submitted to <i>American Journal of Psychiatry</i> . Acceptance is expected after major revisions are completed.
Hellerstein, Kocsis, Chapman, Stewart, Harrison—(211) Double-blind comparison of sertraline, imipramine, and placebo in the treatment of dysthymia: effects on personality	None	Submitted 12/98 to <i>American Journal of Psychiatry</i> .
Steiner—(94-005) Sertraline vs IPT vs combination in dysthymia	None	Manuscript in final review. To be submitted 12/98 as a brief report to <i>Journal of Affective Disorders</i> .
Ravindran—(91-004) Treatment of dysthymia with sertraline: a double-blind placebo controlled trial in dysthymic outpatients	MAC	Manuscript development slowed up due to problems with final database. First draft should be completed by the end of the year. Targeted for <i>Journal of Affective Disorders</i> .
Halbreich—Predictors of response in dysthymia	None	Last set of data received week of 11/18. First draft should be completed before the end of the year.
Yonkers—(211) Gender differences in dysthymia	None	Still waiting for last piece of analysis from Doug Chapman, statistician.

Shading indicates change in status of manuscript since the Zolof Publications Subcommittee Meeting of December 2, 1998.

**ANXIETY
OBSESSIVE-COMPULSIVE DISORDER**

Author—Title	Vendor	Status
Hoehn-Saric, Ninan, Black, Stahl, Greist, Lydiard, McElroy, Zajecka, Harrison, Clary, Chapman—(234) Multicenter, double-blind comparison of sertraline vs. desipramine for concurrent obsessive-compulsive disorder and major depressive disorder	Paladin	Submitted to <i>Archives of General Psychiatry</i> 1/28/98 and withdrawn 9/98. Paladin incorporating new data. Manuscript to be submitted 1/99 to <i>American Journal of Psychiatry</i> .

Shading indicates change in status of manuscript since the Zolof Publications Subcommittee Meeting of December 2, 1998.

ANXIETY PANIC DISORDER

Author—Title	Vendor	Status
Rapaport, Wolkow, Clary—(629-630 combined) Methodologies and outcomes from the sertraline multicenter, flexible-dose trial	None	Published in <i>Psychopharmacol Bull</i> 1998; 34 (2): 183-189.
Londborg, Wolkow, Smith, Ruboff, England, Ferguson, Rosenthal, Weise—(529) Sertraline in the treatment of panic disorder: a multi-site, double-blind, fixed dose, placebo-controlled investigation	None	Published in <i>Br J Psychiatry</i> 1998; 173: 54-60.
Pohl, Wolkow, Clary—(629) Sertraline in the treatment of panic disorder: a double-blind, multicenter trial	None	Published in <i>Am J Psychiatry</i> 1998; 155: 1189-1195.
Pollack, Otto, Worthington, Manfro, Wolkow—(630) Sertraline in the treatment of panic disorder: a flexible-dose, multicenter trial	None	Published by <i>Archives of General Psychiatry</i> 1998; 55: 1010-1015.
Rapaport, Pollack, Wolkow, Clary—Quality of life differences in sertraline and placebo responsive panic disorder patients	Paladin	New data currently with writer. Paper to be submitted 1/99 to <i>American Journal of Psychiatry</i> as a brief report.
Pollack—Patients at risk of poor outcomes: effect of sertraline for panic disorder	None	First draft with author for review. Manuscript will need additional analyses. Paper targeted for the <i>Journal of Affective Disorders</i> .
Rapaport—Response in panic disorder patients with previous benzodiazepine treatment	None	First draft with author for review. Manuscript will need additional analyses. Paper targeted for the <i>Journal of Clinical Psychopharmacology</i> .

Shading indicates change in status of manuscript since the Zolof Publications Subcommittee Meeting of December 2, 1998.

**ANXIETY
PANIC DISORDER**

Author—Title	Vendor	Status
Wolkow, Nakra, Sheikh—(514) Sertraline in the treatment of panic disorder: a double-blind, placebo-controlled, multicenter study	TBD	As of 12/2, paper is written but still on hold. Now that other panic papers have been published, manuscript development to resume. Targeted for <i>International Clinical Psychopharmacology</i> .

Shading indicates change in status of manuscript since the Zolof Publications Subcommittee Meeting of December 2, 1998:

**ANXIETY
POST-TRAUMATIC STRESS DISORDER**

Author—Title	Vendor	Status
Author TBD—(640) Sertraline vs. placebo in PTSD	Paladin	Poster presented at ECNP, 1997. Paper is completed, but revisions are needed.
Author TBD—(671) Title TBD	Paladin	Poster presented at ECNP, 1998. First draft completed, but additional analyses needed. Both 640 and 671 studies to be submitted soon. One will go to <i>New England Journal of Medicine</i> and the other to <i>JAMA</i> .

Shading indicates change in status of manuscript since the Zolof Publications Subcommittee Meeting of December 2, 1998.

**ANXIETY
GENERAL**

Author—Title	Vendor	Status
Gorman—Sertraline in the treatment of anxiety disorders	CMD	Outline sent to Pfizer for approval week of 11/24. Targeted for <i>Journal of Clinical Psychiatry</i> .
Hirschfeld, Russell—Treatment considerations in patients with comorbid anxiety and depression	CMD	Outline to be sent to Pfizer week of 12/7. Targeted for <i>Postgraduate Medicine</i> .

Shading indicates change in status of manuscript since the Zolof Publications Subcommittee Meeting of December 2, 1998.

SSRI DIFFERENTIATION

Author—Title	Vendor	Status
Sechter, Troy, Permetti—(92-002) Double-blind comparison of sertraline and fluoxetine in the treatment of major depressive episode in outpatients	None	Accepted by <i>European Psychiatry</i> with revisions. Publication expected in February of 1999. As of 11/3, official acceptance letter has not arrived.
Malt—(91-001) The treatment study of depression in general practice	None	Accepted by <i>British Medical Journal</i> with minor revisions 10/98. Revisions to be returned to journal week of 11/2.
Marsden—Sertraline versus TCAs: an update of general serotonin research	PPS	Submitted to <i>International Journal of Clinical Practice</i> 7/98. Rejected 10/98 because it was too CNS for a general journal. Resubmitted 11/98 to <i>British Journal of Clinical Research</i> .
Flament et al—(89-002) Predictors of response (Bernie subgroup analysis)	None	As of 12/2, Roger Lane revising manuscript. To be resubmitted to <i>International Clinical Psychopharmacology</i> by the end of the year.
Preskorn, Lane—The posology of the selective serotonin reuptake inhibitors	None	Final manuscript completed week of 11/16, but an extensive rewrite will be needed.
Author TBD—Comparison of effectiveness trial of Zoloft in community versus efficacy trials	Paladin	Poster presented at CINP. Additional analyses to be completed week of 12/14.
Aberg-Wistedt—Sertraline vs. paroxetine	None	Draft manuscript written. New analyses needed and will be available by the end of the year. Targeted for <i>American Journal of Psychiatry</i> .
Culpepper, Keller—A guide to the SSRIs	CMD	Outline to be sent to Pfizer week of 12/7. Targeted for <i>Journal of Family Practice</i> .

Shading indicates change in status of manuscript since the Zoloft Publications Subcommittee Meeting of December 2, 1998.

SSRI DIFFERENTIATION

Author—Title	Vendor	Status
Goodnick, Goldstein—Selective serotonin reuptake inhibitors in affective disorder. I. Basic pharmacology	None	Published as part of Supplement to <i>Journal of Psychopharmacology</i> 9/98.
Goodnick, Goldstein—Selective serotonin reuptake inhibitors in affective disorder. II. Efficacy and quality of life	None	Published as part of Supplement to <i>Journal of Psychopharmacology</i> 9/98.
Goldstein, Goodnick—Selective serotonin reuptake inhibitors in affective disorder. III. Tolerability, safety, and pharmacoeconomics	None	Published as part of Supplement to <i>Journal of Psychopharmacology</i> 9/98.
Preskorn—The differential effects of the serotonin selective reuptake inhibitors on the cytochrome P-450 enzymes	None	Published as part of Supplement to <i>Journal of Psychopharmacology</i> 9/98.
Amsterdam—Selective serotonin reuptake inhibitors efficacy in severe and melancholic depression	None	Published as part of Supplement to <i>Journal of Psychopharmacology</i> 9/98.
Boyer, Danion, Bissierbe, Hotton, Troy—Clinical and economic comparison of sertraline and fluoxetine in the treatment of depression: 6-month, double blind study in a primary care setting in France	NA	Published in <i>Pharmacoeconomics</i> 1998; 13(1):157-169.
Lane—SSRI-induced extrapyramidal symptoms and akathisia: implications for treatment	None	Published by <i>J Psychopharmacol</i> 1993; 12(2): 192-194.
Rosen, Lane, Menza—The effects of SSRIs on sexual function: a critical review	None	Published in <i>Journal of Clinical Psychopharmacology</i> 1999;19:67-85.

Shading indicates change in status of manuscript since the Zolof Publications Subcommittee Meeting of December 2, 1998.

OUTCOMES RESEARCH

Author—Title	Vendor	Status
Berndt, Finkelstein, Greenburg, Howland, Keith, Rush, Russell, Keller—Workplace performance: effects from chronic depression and its treatments	None	Published in <i>Health Econ</i> 1998; 17:511-535.
Katzelnick, Simon, Manning, Helstad, Henk—Depression among high utilizers of medical care (CARE: Methods, screening algorithm)	None	Accepted 11/98 by <i>Journal of General Internal Medicine</i> pending revisions.
Katzelnick, Simon, Pearson, Manning, Helstad, Henk, Cole, Lin, Taylor, Koback—Randomized trial of a depression management program in high utilizers of medical care (CARE: Efficacy at 6 and 12 months)	None	Submitted 7/98 to JAMA. Manuscript revised and to be resubmitted 2/99.
Author TBD—Course and cost of treatment with SSRIs—MarketScan	None	Submitted 10/98 to <i>American Journal of Managed Care</i> .
Russell, Berndt, Miceli—Course and cost of treatment with SSRIs-HCIA (Will not address other SSRI literature) CLINICAL	None	Submitted 10/98 to <i>American Journal of Managed Care</i> .
Berndt, Russell, Miceli, Colucci, Grudzinski—Course and cost of treatment with SSRIs: critique of existing SSRI literature. (Will provide critique of existing SSRI literature also) ECONOMIC	None	To be submitted 1Q99. Target journal to be determined.
Simon—CARE: Direct cost (Health and social costs)	None	To be submitted 2Q99. Target journal to be determined.

Shading indicates change in status of manuscript since the Zoloff Publications Subcommittee Meeting of December 2, 1998.

OUTCOMES RESEARCH

Author—Title	Vendor	Status
Berndt, Miceli, and Friedorff—Functional and symptomatic response over two years of sertraline therapy for chronic depression: relationships among clinical, short-term, and long-term work outcomes	None	To be presented at ACNP, December 1998. Manuscript to be submitted 2Q99.
Manning—CARE: Employer and labor consequences (work time in treatment, work time sick, work productivity)	None	To be submitted 1-2Q99 to <i>Mental Health Economics and Policy or Health Outcomes</i> .
CARE: Summary of all findings	None	To be submitted 2-3Q99 to <i>American Journal of Managed Care</i> .
CARE: Cost standardization	None	To be submitted 2-3Q99 to <i>Medical Care</i> .
CARE: Training effects	None	To be submitted 4Q99. Target journal TBD.

Shading indicates change in status of manuscript since the Zolof Publications Subcommittee Meeting of December 2, 1998.

PATIENT TYPES ELDERLY

Author—Title	Vendor	Status
Finkel, Nakra, Richter, Clary, Batzar— (166) Comparative efficacy of sertraline versus fluoxetine in elderly patients age 70 and over with major depression	None	Accepted by <i>American Journal of Geriatric Psychiatry</i> 9/98. Publication is set for March 1999.
Finkel, Richter, Clary—(170) Comparative efficacy and safety of sertraline versus nortriptyline in major depression in patients 70 and older	None	Accepted 10/98 to <i>International Psychogeriatrics</i> . Publication is set for March 1999.
Bondareff, Friedorff, Alpert, Richter, Clary—(170) Comparative antidepressants: cognitive and quality of life outcomes of sertraline versus nortriptyline in elderly major depression	None	Submitted 10/27/98 to <i>American Journal of Psychiatry</i> .
O'Hanlon, Lane—Cognitive and psychomotor functions of antidepressants with emphasis on serotonin reuptake inhibitors and depressed, elderly patients	None	Resubmitted and rejected by <i>Psychopharmacology</i> . Resubmitted to <i>International Psychogeriatrics</i> 10/98. As of 12/2, no word yet on acceptance.
Newhouse, Richter, Clary, Alam, Doraiswamy, Krishnan, Nakra—(166) Selective serotonin reuptake inhibitors in the elderly: a double-blind comparison of sertraline and fluoxetine in depressed elderly patients	None	Rejected by <i>Archives of General Psychiatry</i> . Submitted to <i>Journal of Geriatric Psychiatry and Neurology</i> 8/98 and withdrawn 11/98. Submitted 11/98 to <i>Journal of Clinical Psychiatry</i> .

Shading indicates change in status of manuscript since the Zolof Publications Subcommittee Meeting of December 2, 1998.

PATIENT TYPES ELDERLY

Author—Title	Vendor	Status
Krishnan, Doraiswamy, Clary—(166-170) Clinical and treatment response characteristics of late-life depression associated with vascular disease: a pooled analysis of two multicenter trials with sertraline	Paladin	Submitted 12/98 to <i>Journal of the American Geriatrics Society</i> .
Burns, Russell, Stratton-Powell, Tyrell, O'Neil, Baldwin—Sertraline and stroke associated lability of mood	None	Manuscript has been approved by PSC. To be submitted to <i>Journal of Neurology, Neurosurgery and Psychiatry</i> .
Schneider—(166-170) Response to Zoloft-estrogen replacement and APA abstract/paper	Paladin	Awaiting additional analyses from CDO. Targeted for the <i>Archives of General Psychiatry</i> .
Finkel—Management of depression in the elderly: benefits of SSRIs	CMD	Client comments on outline received week of 11/9. First draft due week of 12/7. Targeted for <i>American Family Physician</i> .
Wade—(90-001) Sertraline in general practice setting: a multicenter assessment	CMD	Additional information needed from client before outline can be written. Targeted for <i>Journal of Family Practice</i> .

Shading indicates change in status of manuscript since the Zoloft Publications Subcommittee Meeting of December 2, 1998.

**PATIENT TYPES
MEDICALLY ILL**

Author—Title	Vendor	Status
Shapiro, Lesperance, Frasure-Smith, O'Connor, Baker—An open-label preliminary trial of sertraline for treatment of major depression after acute myocardial infarction (the "SADHAT" trial)	None	Accepted by <i>American Journal of Cardiology</i> 11/98. Publication date has not been set.
Wise—Depression in the medically ill	CMD	Outline sent to Pfizer 11/19. Targeted for <i>American Journal of Managed Care</i> .

Shading indicates change in status of manuscript since the Zolofit Publications Subcommittee Meeting of December 2, 1998.

PATIENT TYPES PEDIATRIC/ADOLESCENT

Author—Title	Vendor	Status
Alderman, Wolkow, Chung, Johnston— Sertraline treatment of children and adolescents with OCD or depression: pharmacokinetics, tolerability, and efficacy	NA	Published in <i>Journal of American Academy of Child and Adolescent Psychiatry</i> 1998; 37(4): 386-394.
March, Biederman, Wolkow, Safferman, Mardekian, Cook, Cutler, Dominguez, Ferguson, Muller, Riesenber, Rosenthal, Sallee, Wagner—(498) Sertraline in the treatment of children and adolescents with obsessive- compulsive disorder: a multicenter, double-blind, placebo- controlled study	None	Published in <i>JAMA</i> 1998; 280:1752- 1756.
Ambrosini, Wagner, Biederman, Glick, Blia, Hebel, Rabinovitch, Lock, Geller— Multicenter, open-label, sertraline study in adolescent outpatients with major depression	None	Accepted 9/98 by <i>Journal of the American Academy of Child and Adolescent Psychiatry</i> . As of 11/5, a publication date has not been set.
Wilens, Biederman, March, Wolkow, Fine, Millstein, Faraone, Geller, Spencer— Absence of cardiovascular adverse effects of sertraline in children and adolescents	None	Accepted 11/98 to <i>Journal of the American Academy of Child and Adolescent Psychiatry</i> . Publication date has not been set.
Simeon—Adolescent dysthymia study	None	Poster presented at APA. Final report finalized. Manuscript in development and due to be completed by beginning of December. Target journal not yet identified.
March—Depression and anxiety in the younger patient	CMD	Outline to be sent to Pfizer week of 12/7. Targeted for <i>Contemporary Pediatrics</i> .

Shading indicates change in status of manuscript since the Zolof Publications Subcommittee Meeting of December 2, 1998.

PATIENT TYPES WOMEN

Author—Title	Vendor	Status
Jermaine—Late luteal phase dosing with sertraline	Paladin	Accepted 9/98 by <i>Archives of Family Medicine</i> . Publication date has not been set.
Pearlstein—(256) Psychosocial functioning in premenstrual dysphoric disorder	None	Manuscript close to completion, waiting on additional graphs. Target journal to be determined.
Steiner—Safety and efficacy of sertraline in the female depressed patient	CMD	Outline with author for approval. First draft due week of 12/28. Targeted for <i>Journal of Women's Health</i> .
Yonkers—Mood disorders in the reproductive cycle	CMD	Dr. Yonkers on maternity leave until after January 1. On hold until Worldwide Publication "Safety and Efficacy of Sertraline in the Female Depressed Patient" is written.

Shading indicates change in status of manuscript since the Zolof Publications Subcommittee Meeting of December 2, 1998.

PHARMACOKINETICS

Author—Title	Vendor	Status
Harvey, Preskorn—Fluoxetine, pharmacokinetics and effects on CYP2C19 in young and elderly volunteers	None	Submitted 10/98 to <i>International Journal of Geriatric Psychiatry</i> .

Shading indicates change in status of manuscript since the Zolof Publications Subcommittee Meeting of December 2, 1998.

Motus/Pfizer Docs

040676

PEDOPHILIA

Author—Title	Vendor	Status
Bradford, Goldberg—Sertraline in the treatment of pedophilia	None	Submitted 9/98 to <i>Journal of Clinical Psychiatry</i> . As of 12/2, no word on acceptance.

Shading indicates change in status of manuscript since the Zoloff Publications Subcommittee Meeting of December 2, 1998.
